The "Creek" is happy to announce the 3rd year of the "CREEK COMPETITION CLUB" ... or "3C's". This program has been designed by Nate Blanchette, PGA Professional as the next step to our already successful Junior Golf program. This program will take juniors already participating in our core programs and teach the progression of how to take those skills and apply them to a competitive atmosphere. This program is open to juniors of any age who are contemplating competition on any level – local, state, or national. This will also be a great program for those who are already in competition looking to take their games to the next level. 3C's members **must** be members of one of our CORE programs.
